

**Leadership Aurora Class 2022
Mini-Profile**

Name: Dr. Anne Keke

Company/Position: Colorado early Colleges

Brief Bio/History:

Dr. Anne Keke is an African immigrant from Ivory Coast, West Africa. She is a Career Technical Education instructor with Colorado Early Colleges. She is also a Restorative Justice Coordinator. In her role as a Restorative justice coordinator, Dr. Anne Keke works to ensure that relationships between students and instructors, between administrative body and instructors, and between instructor and instructor are positive. She also provides resources to mitigate litigations and issues among different bodies in a professional manner, to ensure that the school environment is positive and safe for the administrative body, instructors, and students. Her belief in education as one of the paths to change one's destiny is what led her to become an educator. Prior to her role with Colorado Early Colleges, Dr. Anne Keke was a Business Data Analyst with UnitedHealth Group. There she was responsible for analyzing employees' personal data and ensuring that clients receive clear information to make informed decisions about their benefits.

Hobbies/Interests: reading, swimming, sleeping
