

**Leadership Aurora Class 2022
Mini-Profile**

Name: Jason Read

Company/Position: RTB Technologies, LLC / Co-founder

Brief Bio/History:

Jason Read is the Co-founder of RTB Technologies, LLC, working with healthcare providers and administrators in the areas of Information Technology, Cyber Security, and Compliance. As a former Air Force Cyber Operations officer, Jason believes that prevention and education are the best approach to cyber security. While serving, he led Buckley AFB to performing the second highest of all Air Force bases in the world through their Cyber Readiness inspection. In his current role, he has helped business in healthcare and other professional services industries achieve high levels of technology efficiencies and security. Jason is a Certified Information Systems Security Professional (CISSP) with a master's degree in Information Technology Management from Trident University.

Hobbies/Interests

Spending time with family, wife and two daughters (11 and 13). Golf, snowboarding, fantasy football.
