

**Leadership Aurora Class 2022  
Mini-Profile**

**Name:** Lynne Winchell

**Company/Position:** Vice President of Administrative Services & Chief Financial Officer at the Community College of Aurora

**Brief Bio/History:**

At an early age, I set a personal goal of becoming a CFO by 40. Missed it by one month. Have been in finance/accounting for over thirty years, working in various roles of budget, accounting, finance, and procurement. Have had the amazing opportunity to work with many talented people from the private and public sectors. I've always selected opportunities to work in areas that I am passionate about, such as working with veterans, at-risk youth, K-12 education, Governor's Office, and now higher education. I hold a dual Bachelors of Administration in Finance and accounting, with a minor in banking, plus a Masters of Business Administration in finance and accounting

**Hobbies/Interests**

Zumba, kayaking, running (running my 5<sup>th</sup> ½ marathon in October), watching sports (especially New Orleans Saints), traveling, and spending time with my family (Dan-husband of 28 years, Ben-sophomore at CU Leeds School of Business, Chris-sophomore at Northfield High School)

*(Please return by Friday, August 20, 2021)*
