

**Leadership Aurora Class 2022
Mini-Profile**

Name: Nathan Larson

Company/Position: Colorado Technical University-Director of Operations

Brief Bio/History:

I grew up on a grain and livestock farm in South Dakota. My education includes a BS Degree in Business Administration, a MBA, and certifications in the Prometheus Process & Flawless Execution, the Pacific Institute and Strategies for Success. I have lived in Colorado for over 30 years, and have worked in higher education for over 30 years. My leadership titles have included Regional President, Regional Director, Executive Director, VP of Admissions and Marketing, and Director of Admissions. My wife and I have been married for 30 years and we have two grown sons and two grandkids. I have also had my own Insurance Claims Adjusting Company for over four years.

Hobbies/Interests

Fishing, hunting, golf
