What Can The Chamber Do For You?

What is The Chamber?

The Aurora Chamber of Commerce is the voice of the business community in the Eastern Metro area – and beyond. It is an action-oriented, membership driven, nonprofit organization that serves as a powerful advocate for its members.

A primary objective of The Chamber is to create a positive business environment and encourage growth and long-term economic vitality. Through The Chamber, members can gain access to key business, political, and community leaders, to influence the course of commerce on all levels.

The Chamber enables its members to accomplish collectively what they can't do individually. It is NOT a branch of the government, a club, or a political organization. And while it IS a member of both the Colorado Chamber of Commerce and the U.S. Chamber of Commerce, it is not a branch of either.

The Chamber's budget depends almost entirely on the financial investments of members, and is a non-profit organization whose membership dues are tax deductible.

The Chamber exists to meet the needs of the business community.

Membership in The Chamber can mean increased profits and business for your organization...

The Chamber is the business liaison with officials of the cities of the Eastern Metro area including Aurora, Centennial, Brighton, Bennett, Commerce City, and Greenwood Village, as well as with officials for Arapahoe and Adams Counties, and state and federal government. The Chamber serves as a credible voice for issues including education, military, taxes, health, transportation, diversity and inclusion, the arts, and community growth.

Business-to-business networking is encouraged, and Chamber members get member-only pricing on a variety of member services.

Finally, becoming active in The Chamber is a great way for you to meet other business owners and professionals on a more personal basis, through business-oriented social and professional programs.

It's always great to do business with someone you know!

Give your business great exposure...

Chamber members get a complimentary listing in The Chamber Business Directory. The Chamber's database, ChamberMaster, offers additional opportunities for online promotion of your business.

The IMPACT newsletter includes member news, ribbon cuttings, event and committee meeting information and recaps, and listings of new and renewal members.

Offer nearly 300 networking opportunities per year...

The Chamber is the leading business organization to help you make new business contacts. One of the best ways to accomplish this is through our networking events, including Business Before Hours, Business After Hours, events, seminars, luncheons, committee meetings, and tips and leads groups.

Provide a conference room for meetings...

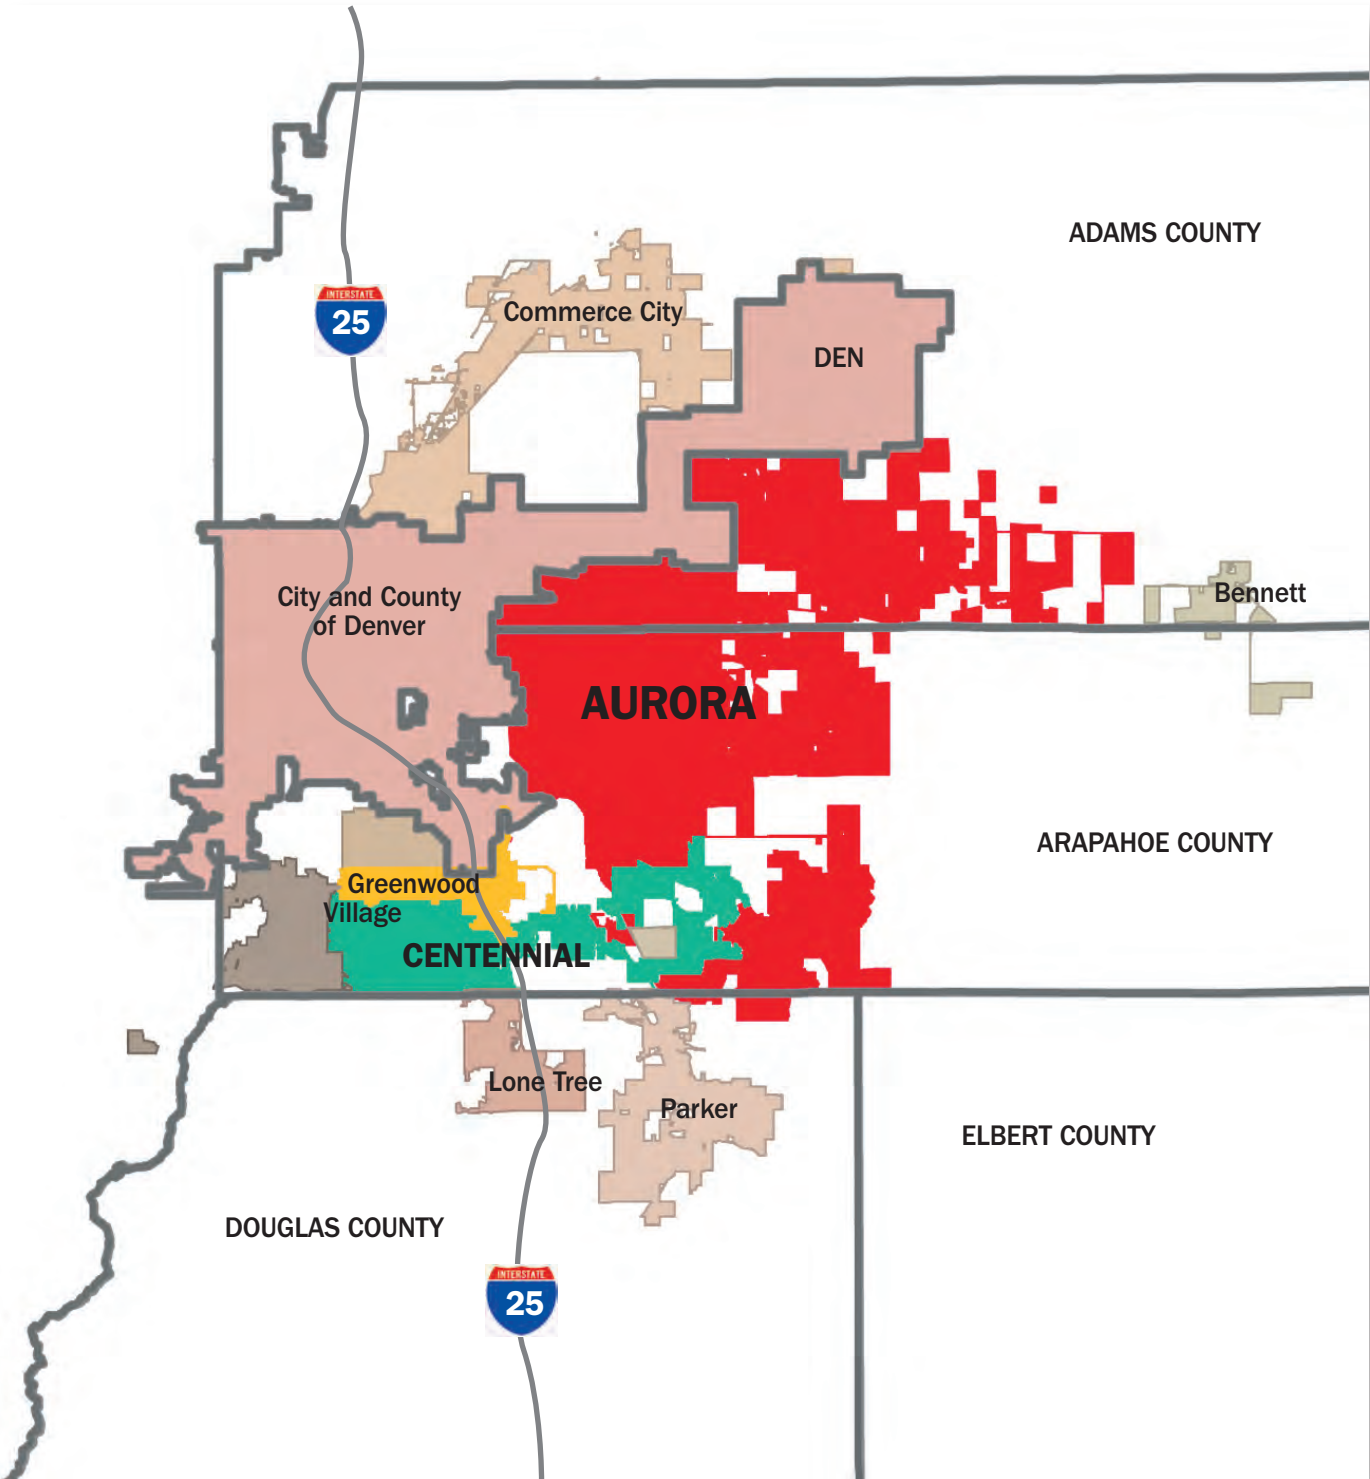

Aurora Chamber members have access to our conference rooms on a space-available basis during normal business hours, at no charge. Audio-visual equipment is also available for use, for a small charge.

LinkedIn: Aurora Chamber of Commerce
Twitter: @AuroraChamberCO

Refer your business...

The Chamber is the focal point for business leaders and newcomers interested in relocating to the area. When The Chamber receives inquiries for a certain product or service, we only recommend members. The website is also a valuable information tool where you can find members by visiting the Business Directory. Search on the website at www.aurorachamber.org.

Steps to involvement... to maximize your Investment

Step 1.

ATTEND THE NEW MEMBER ORIENTATION which includes ChamberMaster Database Training

This orientation and training will help you understand how to make the most of your online business listing in the ChamberMaster software and give you ideas on how you can get involved.

ChamberMaster

- Advertise your business
- Register for events
- Pay membership & event registration
- Hot Deals & Job Openings
- Resource Guide

Step 2.

REGISTER FOR AN EVENT OR COMMITTEE using your online profile. Schedule this as an action step for yourself. Commit and follow through by attending an event or group meeting.

Explore Chamber groups and activities to determine what fits best with your professional and personal interests.

Larger companies may want to assign staff members to explore a variety of options, including legislative opportunities, committees, event sponsorships, and community engagement.

Smaller organizations can benefit from marketing opportunities, networking events, and business relationship building.

Review COMMITTEE PAGES 32-40 to discover involvement that can benefit your business

Step 3.

TALK WITH FELLOW CHAMBER MEMBERS. What have they done to find success?

How have they utilized The Chamber?

Follow up with other Chamber members that you meet.

Inquire about the specifics of a group to truly understand what benefits that group has to offer.

Step 4.

REGISTER for the next interesting event that you have time for.

Build relationships with other members. Highly active and engaged members benefit greatly from their "return on involvement."

Mission

The mission of the Aurora Chamber of Commerce is to give a voice to the business community and serve as an advocate for its members, creating a positive business environment that encourages their growth and long-term economic vitality.

When Does The Chamber Meet?

The Chamber meets all the time! The Chamber Board and Executive Committee, Leadership Aurora, Young Professionals, Women in Business, Arts + Business Connection, Transportation, Defense Council, Diversity & Inclusion, Government Affairs, Work Well 2.0 Health Series, Tips & Leads groups, and the Ambassador Team, all have regular meetings. Business After Hours, Business Before Hours, and Noon Networking, are other events hosted by The Chamber. Whether it's a workshop, committee, a group, or an event, The Chamber offers a wide variety of opportunities to interact and build business relationships with other Chamber members.

Annual events, seminars, and membership luncheons provide even more occasions for members to meet, including the Annual Awards Banquet, Armed Forces Recognition Luncheon, Leadership Aurora Golf Tournament, Women in Business Unsung Heroes' Luncheon, Taste of The Chamber, and the Business After Hours Holiday Party.

In addition, member orientations and computer training for the Chamber's software program are held bi-monthly, on the second Wednesday of the month. The orientation gives members an overview of all of the business opportunities that The Chamber offers as well as vital training on how to make your business stand out in The Chamber member database portal. Periodic presentations by the Chamber President provide updates on local and regional economic development and job creation in the Eastern Metro area.

How Much Does it Cost?

Membership in the Aurora Chamber is based on a factoring system that considers the number of employees, space occupied, and the annual sales or volume. Therefore, a small, home-based business isn't expected to invest the same amount as a large corporation. And, membership is negotiable, based on circumstances.

Some Chamber programs have fees, including Tips and Leads, and Leadership Aurora. There are also reasonable rates for advertising.

The Chamber staff is dedicated to making sure that our members get a significant return on their membership investment.

It's about what The Chamber can do for you!

Why be a member of The Chamber?

Because The Chamber provides...

Experiences you can't find anywhere else!

Directory or Problem-Solving Resource?

Hello and thanks for reviewing the 2022 Chamber Directory and thanks for your continued support of The Chamber and each other.

My title question has a simple answer: **It's both!**

The purpose of the directory is to both empower your membership and serve as

a problem-solving resource for you and your coworkers. They say it takes a village to raise a child. I would argue the same is true for running a successful business, especially for those of you running a small business. Most larger businesses have a team of specialists to address issues like payroll, human resources, accounting, public relations, and so on. The smaller business owner must wear each of these hats themselves and do them all well in order to thrive.

The Chamber exists to be of service to you, our valued members, no matter the size of your business. The directory is only one of the many Chamber resources available to you.

The trick is recognizing that you're in need of guidance/expertise to solve a problem or to super-charge your next great idea. Once you've recognized a need, it's time to "Make the Ask." That's where The Chamber comes in. Managing through COVID is a great example of how The Chamber is here to serve.

Throughout this pandemic, The Chamber sponsored and hosted many online meetings on a variety of subjects meant to help you as business owners and professionals to navigate the uncertainty of it all.

Sometimes we need a reminder that none of us is alone on our business journey. **Consider this your reminder.** The Chamber Staff is readily available to help you get connected and leverage great relationships in the community.

Thanks for reading. It's my pleasure to serve as your Board Chair.

Chad
