What Can The Chamber Do For You?

What is The Chamber?

The Aurora Chamber of Commerce is the voice of the business community in the Eastern Metro area – and beyond. It is an action-oriented, membership driven, nonprofit organization that serves as a powerful advocate for its members.

A primary objective of The Chamber is to create a positive business environment and encourage growth and long-term economic vitality. Through The Chamber, members can gain access to key business, political, and community leaders, to influence the course of commerce on all levels.

The Chamber enables its members to accomplish collectively what they can't do individually. It is NOT a branch of the government, a club, or a political organization. And while it IS a member of both the Colorado Chamber of Commerce and the U.S. Chamber of Commerce, it is not a branch of either.

The Chamber's budget depends almost entirely on the financial investments of members, and is a non-profit organization whose membership dues are tax deductible.

The Chamber exists to meet the needs of the business community.

Membership in The Chamber can mean increased profits and business for your organization...

The Chamber is the business liaison with officials of the cities of the Eastern Metro area including Aurora, Centennial, Brighton, Bennett, and Commerce City, as well as with officials for Arapahoe and Adams Counties, and state and federal government. The Chamber serves as a credible voice for issues including education, military, taxes, health, transportation, diversity and inclusion, the arts, and community growth.

Business-to-business networking is encouraged, and Chamber members get member-only pricing on a variety of member services.

Finally, becoming active in The Chamber is a great way for you to meet other business owners and professionals on a more personal basis, through business-oriented social and professional programs.

It's always great to do business with someone you know!

Give your business great exposure...

Chamber members get a complimentary listing in The Chamber Business Directory. The Chamber's database, ChamberMaster, offers additional opportunities for online promotion of your business.

The IMPACT newsletter includes member news, ribbon cuttings, event and committee meeting information and recaps, and listings of new and renewal members.

Offer nearly 300 networking opportunities per year...

The Chamber is the leading business organization to help you make new business contacts. One of the best ways to accomplish this is through our networking events, including Business Before Hours, Business After Hours, events, seminars, luncheons, committee meetings, and tips and leads groups.

Provide a conference room for meetings...

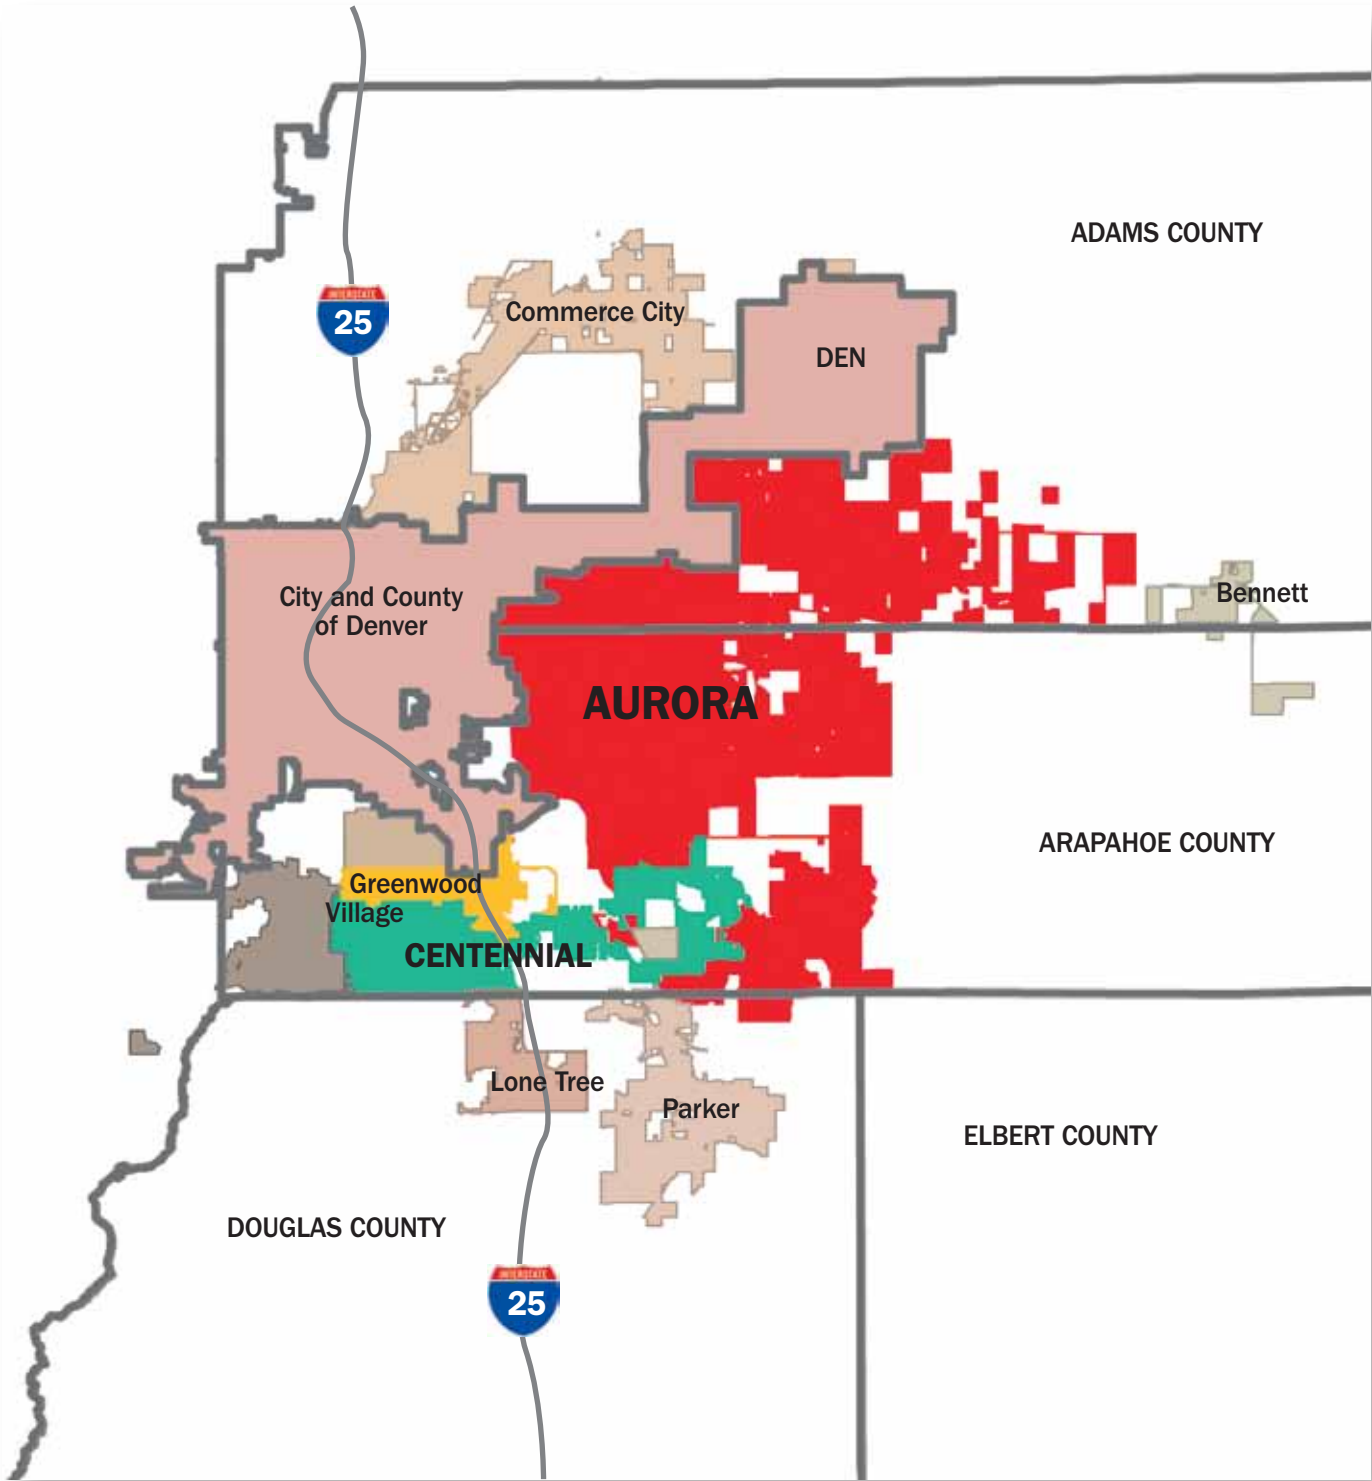

Aurora Chamber members have access to our conference rooms on a space-available basis during normal business hours, at no charge. Audio-visual equipment is also available for use, for a small charge.

LinkedIn: Aurora Chamber of Commerce
Twitter: @AuroraChamberCO

Refer your business...

The Chamber is the focal point for business leaders and newcomers interested in relocating to the area. When The Chamber receives inquiries for a certain product or service, we only recommend members. The website is also a valuable information tool where you can find members by visiting the Business Directory. Search on the website at www.aurorachamber.org.

Steps to involvement...

to maximize your Investment

Step 1.

ATTEND THE MONTHLY NEW MEMBER ORIENTATION which includes ChamberMaster Database Training

This orientation and training will help you understand how to make the most of your online business listing in the ChamberMaster software and give you ideas on how you would like to get involved.

ChamberMaster

- Advertise
- Register
- Pay
- Promotions
- Resource Guide

Step 2.

REGISTER FOR AN EVENT OR COMMITTEE using your online profile. Schedule this as an action step for yourself. Commit and follow through by attending an event or group meeting.

Explore Chamber groups and activities to determine what fits best with your professional and personal interests.

Larger companies may want to assign staff members to explore a variety of options, including legislative opportunities, committees, event sponsorships, and community engagement.

Smaller organizations will benefit from marketing opportunities, networking events, and business relationship building.

Review COMMITTEE PAGES 34-42 to discover involvement that would benefit your business

Step 3.

TALK WITH FELLOW CHAMBER MEMBERS. What have they done to find success? How have they utilized The Chamber?

Follow up with other Chamber members that you meet.

Inquire about the specifics of a group to truly understand what benefits that group has to offer.

Step 4.

REGISTER for the next interesting event that you have time for.

Build relationships with other members. Highly active and engaged members benefit greatly from their "return on involvement."

Your **CHAMBER ROI** is measured not only by **YOUR INVESTMENT** but by **YOUR INVOLVEMENT!**

Mission

The mission of the Aurora Chamber of Commerce is to give a voice to the business community and serve as an advocate for its members, creating a positive business environment that encourages their growth and long-term economic vitality.

When Does The Chamber Meet?

The Chamber meets all the time! Chamber committees, Tips and Leads groups, The Chamber Board and Executive Committee, Leadership Aurora, Young Professionals, Women in Business, Arts & Business Connection, Transportation, Defense Council, Diversity & Inclusion, Government Affairs, Health Series, and the Ambassador Team, all have regular meetings. Business After Hours, Business Before Hours, and Noon Networking, are monthly events hosted by The Chamber. Whether it's a workshop, committee, a group, or an event, The Chamber offers a wide variety of opportunities to interact and build business relationships with other Chamber members.

Annual events, seminars, and membership luncheons provide even more occasions for members to meet, including the Annual Awards Dinner, Armed Forces Recognition Luncheon, Leadership Aurora Golf Tournament, Women in Business Unsung Heroes' Luncheon, Taste of The Chamber, the Diversity & Inclusion Resource Summit and the Business After Hours Holiday Party. In addition, member orientations and computer training for the Chamber's software program are held bi-monthly, on the second Wednesday of the month. The orientation gives members an overview of all of the business opportunities that The Chamber offers as well as vital training on how to make your business stand out in The Chamber member database portal. A quarterly presentation by the Chamber President provides updates on local and regional economic development and job creation in the Eastern Metro area.

How Much Does it Cost?

Membership in the Aurora Chamber is based on a factoring system that considers the number of employees, space occupied, and the annual sales or volume. Therefore, a small, home-based business isn't expected to invest the same amount as a large corporation. And, membership is negotiable, based on circumstances.

Some Chamber programs have fees, including Tips and Leads, Ambassador Team, Leadership Aurora, and Young Professionals. There are also reasonable rates for advertising.

The Chamber staff is dedicated to making sure that our members get a significant return on their membership investment. *It's what The Chamber can do for you!*

Why be a member of The Chamber?

Because The Chamber provides...

Experiences you can't find anywhere else!

Chair's Letter

**Dr. Betsy
Oudenhoven**

2019-20 Board Chair

Hello everyone...

As the current chair of the Aurora Chamber of Commerce I am pleased to write this letter to tell you all to read the Directory. In all of the years that I have been involved with the Chamber, while I have used the Directory intermittently, I have never fully acquainted myself with this wonderful resource. Don't make the same mistake. I can guarantee that whether you have lived in the eastern metro region for some time or are new to this area, there is something here for you.

The Chamber serves Aurora, Centennial, Commerce City, and Arapahoe and Adams counties. So – there is a lot here. You can access information in the Directory on the over 1000 Chamber members and affiliates, identify your city and county elected officials, and acquaint yourself with the region's areas of economic growth including aerospace, education, energy, healthcare, residential development, tourism/hotels, transportation and logistics.

The Aurora Chamber of Commerce is community oriented and one of the key leaders and connectors in the east metro area. The Chamber works with all sectors of our economy – with everyone from large national corporations to immigrant owned small businesses. You can find information in the Directory on how you can get involved and benefit from that involvement. This region has an incredibly bright future economically and we want to be sure that it translates into good jobs and economic prosperity for everyone.

So, once again, I encourage you to scroll through the Directory. Look at the ads, look at the Chamber opportunities, and look at the member, business, and who's who listings. There is great information hiding in here whether you are an employer or an employee. And after you learn about the region, go out and support our local businesses, because that support will also help your families, friends and neighbors.

Thanks!

With 1,600 acres and 7.5+ million square feet of state-of-the-art industrial space, Majestic Commercenter, located along I-70, between Tower Road and E-470, is Colorado's largest master-planned industrial park. Majestic Realty Co., the nation's industrial real estate leader, is proud to play an important role in the long-term success of the City of Aurora by providing a home to 50 companies and 4,000 employees.

We're grateful for our 24 year relationship with Aurora and are excited to welcome Shamrock Foods and their 1,000 employees, as they are currently constructing their new 900,000 square foot food distribution facility in our park. We look forward to continuing to partner with the City and grow this exciting employment center.

Measuring Impact Of The Partnership

The Greater Metro Denver Healthcare Partnership is an industry-led collaborative bringing together workforce, education and economic development to meet the industry's growing talent needs. The Partnership is a connector, an idea incubator and a catalyst for innovative solutions for expanding opportunities to strengthen the talent pipeline in healthcare. We do this collaboratively by bringing businesses within the same industry together to align priorities and address the needs of the industry.

Industry Engagement – Sphere of Influence

We work in tandem as part of this unique network of healthcare advocates. The sector partnership is made up of everything from hospital systems, to ambulatory care & outpatient clinics to senior living options comprised of long-term care facilities, skilled nursing, assisted living centers to home health providers.

The Public Workforce System in the last year invested \$1,609,295 assisting with the training costs of 542 individuals. Over the last nine years, this equates to approximately \$12 million. The workforce system has trained individuals in the following occupations: certified nurse aide, medical assistant, pharmacy technician, RN, medical lab scientist and med lab technician, specialty nurses, etc. Metro area workforce centers also invest in the day-to-day operations of managing the Partnership by providing funding for a project coordinator.

Marketing campaign – \$300,000 invested

Developed an awareness campaign to educate, recruit and employ individuals in allied health occupations that are in demand that require 1 or 2 years of training. This campaign assisted in developing a website, providing online ads, generating collateral materials, assisted in launching a public relations and social media campaign. The Partnership assisted in meeting the workforce needs of industry by training individuals in high demand occupations, and creating career pathways for professional and personal development. **As a result of this 9-month marketing campaign, over 1,000 individuals have enrolled in the training programs for the 5 targeted in demand occupations and over 750 individuals have become successfully employed in these healthcare occupations throughout the metro area.**

Greater Metro Denver Healthcare Partnership... Connections, Opportunities, Choices through a unique partnership structure of collaboration.

The Chamber has a number of affiliate and partner organizations that offer benefits and services that add value to Chamber membership. Services include member discounts, job search help and online marketing.

Employment

Arapahoe/Douglas Works! Workforce Center and Adams County Workforce & Business Center –

Providing a variety of no-cost services to job seekers and businesses, including resources and workshops for self-directed job searches, one-on-one employment counseling, training assistance, and free workforce development services for businesses in the Metro area.

Greater Metro Denver Healthcare Partnership

– A collaborative effort to identify and fill needed healthcare job opportunities in the local community (housed at The Chamber). With this grant, the Partnership will collaborate with industry partners, training providers, and metro area workforce centers to create an education and recruitment campaign to encourage individuals to enroll in healthcare training programs, transition to employment and to strengthen community connections for on-going success.

Five critical occupations have been targeted for student recruitment from September 2017 - June 30, 2018, duration of the grant. These occupations represent “middle skill jobs”, where the demand is high, the talent pipeline is limited, and applicants can successfully become employed after completing 6 to 24 months of training.

Increase enrollment in training programs for nurse aide, medical assistant, pharmacy technician, surgical technician and medical lab technician.

The Partnership is expanding its reach beyond the seven hospital systems to be more inclusive so we are identifying long term care, assisted living facilities, doctors’ offices and other healthcare entities to partner with us in strengthening this healthcare talent pipeline.

Discounts To Chamber Members

Constant Contact – Chamber members receive up to a 25 percent discount on monthly services for an effective, affordable, and easy to use way to reach customers with online marketing.

Office Depot/Office Max – Chamber members receive up to 60 percent off commonly purchased items, 5 percent off most other items, up to 70 percent off on copy and print needs, and fast, free delivery on online orders of \$50 or more placed by 5 pm.

For more great deals and discounts go to:
business.aurorachamber.org/hotdeals/

Partners

Buckley Air Force Base – Ready forces providing unmatched space-based warning and awareness - protecting the homeland and global warfighters. The Chamber provides many programs to help retain our military neighbors as citizens of our community during and beyond their assignments here.

Colorado Department of Military and Veteran Affairs – By serving our military and veterans with information and services, we contribute to safeguarding the nation and the continued and growing presence of military installations and commands, and defense and national security enterprises. These efforts insulate our economy while providing a home for our national defense heroes, something in which we take great pride.

Visit Aurora – Highlighting Aurora as a convention, sports, and visitor destination, and providing information about the myriad opportunities to enjoy Colorado’s 300 days of sunshine each year. From the snow-capped mountains to the west, to the bike trails, family attractions, and cultural venues of the city, Aurora is a prime vacation destination with more than 75 hotels.

Government – Adams County, Arapahoe County, City of Aurora, City of Centennial, Town of Bennett

Economic Development

Aurora South Metro Small Business

Development Center – Providing small business services and training for existing and start-up businesses, including one-on-one business advising, customized training and advising, and low-cost business seminars.

Aurora Economic Development Council (AEDC) – A partnership between business and government with the mission of enhancing the economic strength of the city of Aurora.

Adams County Economic Development – A partnership between business and government with the mission of enhancing the economic strength of the county.

Denver South Economic Development

Partnership – A partnership between business and government with the mission of enhancing the economic strength of the region.

Procurement Technical Assistance Center (PTAC)

– Helping businesses that are seeking to compete successfully in federal, state and local government contracting (housed at The Chamber). PTAC has helped more than 2,797 Colorado companies statewide, and is responsible for close to \$650 million in contracts given to Colorado businesses that have retained more than 13,000 jobs.

The I-70 Corridor Regional Economic Advancement Partnership (REAP)

– Stimulate private investment to increase opportunities for employment, expand the tax base, broaden the economy and improve the quality of life of I-70 corridor citizens. Attract employment opportunities compatible with the rural town communities of eastern Adams and Arapahoe Counties.

Accessing...

your records in ChamberMaster on The Chamber website at
www.aurorachamber.org

The Database:

ChamberMaster is a powerful database tool that is accessible to all Chamber members, accessed from the home page of The Chamber website, either at the top right of the page (Member Login), or in the left column under Quick Links.

ChamberMaster saves time, provides convenient access, improves efficiency and streamlines communication for members by allowing secure access to their Chamber member record online over the Internet. In addition, this integration facilitates many other features that will directly benefit you, the member. Each member and representative is given a login name and password, both of which can be changed.

Features include:

- The ability to change your own business directory listing
- Updates to your company information are displayed on The Chamber website - immediately!
- Register for an event online and pay with credit card
- Pay any open invoice online with credit card
- Access your data from anywhere, at any time
- Post a calendar event for Chamber approval
- Advertise with Hot Deals and monitor the Internet hits
- Post current job openings
- Respond to Chamber event invitations with an online RSVP

Be sure to utilize *ChamberMaster* to promote your business – it's one of the benefits of being a member of The Chamber.

Training classes held monthly
at The Chamber office.
