## LETTER FROM THE CHAIRMAN

### Katherine Montgomery

Chairman  
Leadership Aurora

Congratulations! Your graduation from Leadership Aurora signals not only the completion of one goal, but the beginning of an even greater one. Armed with the information invested in you over the past nine months, it's our hope that you'll step forward and offer your unique talents for the benefit of our community.

As a community leader, don't wait for a formal invitation to participate in the programs and organizations that make Aurora a great place to live, work and play. Your board internships allowed you to test the waters of a variety of groups; now you can take the plunge. A good place to start is on one of the many Aurora Chamber of Commerce committees working to identify and address vital Aurora issues.

You were all chosen for Leadership Aurora because of your demonstrated leadership qualities. It's our hope that the program's eclectic presentation of issues not only affecting life in the City of Aurora, but within our metropolitan community, has inspired an interest in a fresh idea or new subject.

The program's format, designed to promote debate, disagreement and deliberation between class members and session experts, encouraged you to dig beneath the surface on timely issues. We hope this dialogue endures and classmates continue to discuss and challenge each other for years to come.

Your Leadership Aurora training doesn't just belong on a resume. It belongs in board rooms, advisory councils, business endeavors and community organizations. You are an indispensable asset to our community and with your input, ideas and enthusiasm, Aurora will continue to prosper. Best of luck in your individual endeavors.
